ORGANIZATIONS JOIN TOGETHER TO BRING SUICIDE-PREVENTION EVENT TO MORE AREA SCHOOLS

One in six Indiana High School students have considered attempting suicide, and one in eight have made a plan for attempting suicide, according to Indiana Youth Institute 2015 research. In an effort to prevent youth suicide, multiple organizations have joined together to bring potentially life-saving school assemblies to schools in our area.

Schools in Allen County and surrounding counties are teaming up with RemedyLIVE, creator of the Get Schooled Tour™. RemedyLIVE is a web-based chat center with over 1,000 guests per day and staffed by over 100 staff who chat with youth that have struggles in their life. One suicide plan is averted per hour, connecting hurting youth to a meaningful conversation with someone who cares. The chat is available 24/7 and can be activated by texting the number 494949. In Fort Wayne, and surrounding counties, The Get Schooled Tour™ is funded by a grant from the Lutheran Foundation to help students and their families learn about LookUpIndiana.org.

There will be 7 Schools hosting The Get Schooled Tour.™ This school assembly is a one hour, high energy program, that combines live music, interactive polling, and motivating video, so students are engaged in making a difference within their school walls. It's specifically tailored for teens in public schools to provide courage to share their secret struggles with caring adults and look for others around them that need support as well. The assembly is designed to be memorable and make a significant difference in the lives of the students that participate in it. <http://www.getschooledtour.com/>.

The Lutheran Foundation's desire is to promote their new website, Look Up (www.lookupindiana.org), which focuses on mental/behavioral health and wellness, so students and their families will be aware of resources available to them. A zip code locator allows users to the website to find providers in their area as well as anonymous 24/7 chat services provided by RemedyLIVE.

The Get Schooled Tour™ is also thankful for our other sponsors™ who have made these events possible including: Sweetwater, Parkview Health, Chautauqua~Wawasee, Circle City Audio, Allstar Communications, Park Center, Bowen Center, and Sky Zone.
